# **Annual Report of the Board of Directors**

The Boston Police Relief Association Board of Directors is pleased to submit to the membership this Annual Report outlining the status of the Association for the year ending 2001.

On January 1, 2001 the Association's fund totaled \$1,087,940 with a membership of 2,680. Throughout the course of the year there were 75 recorded deaths of members, 6 resignations, 2 members were reinstated to active status, 4 new members joined the Association, making a total membership of 2605. The Association has 1305 members who required by by-laws to pay annual dues. The remaining 1300 members are exempt from payment of their Annual Dues under Article XIX of the by-laws.

The Association's receipts for the year 2001 amounted to \$292,987. Annual dues \$26,119, sponsorship income \$337,165, and contributions \$6,253. Loss on investments (\$116,550).

Total death benefits paid for the year 2001 was over \$100,400, which was paid to the beneficiaries of deceased members and to members due to the death of their spouse.

On the last day of December 2001, taking into account the recession, the Association recorded \$861,806. The Finance Committee along with the Board of Directors is progressively seeking diverse avenues to expand our investments and augment the fund balance. Any input from the membership in the form of recommendation or tax-deductible donations would be well received.

The Board of Directors takes this opportunity to thank you for your support. We want all members to understand that if at anytime assistance is needed, whether in insurance needs, retirement information, sickness or deaths of a member or members spouse; the Association is prepared to help. You may contact your Area Director or the Association office at 617.364.9565.

Fraternally,  
2001 Board of Directors

## **Message from the President:**

I wish at this time, to extend a sincere Thank You, for the opportunity of serving you as President this past year. It was truly a very rewarding experience working alongside the dedicated Board of Directors; together we were able to achieve the many goals of assisting our membership. I especially wish to thank Police Commissioner Paul Evans and our many loyal supporters, for it was with their assistance we were able to continue our efforts.

To my successor, Paul E. Martin, I offer my best wishes and pledge my continuing support.

Fraternally,

Stephen P. Law, President 2001

## **Independent Auditors' Report**

To the Board of Trustees of  
Boston Police Relief Association  
Hyde Park, Massachusetts

We have audited the accompanying statements of financial position - cash basis of the Boston Police Relief Association (a nonprofit organization) as of December 31, 2001, and the related statements of activities and functional expenses - cash basis, and cash flows for the year then ended. These financial statements are the responsibility of the Association's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
